Resolution No.22

This Conference requests the Government to take steps to restore to the Muslim community the Mosque at Santebennur in Channagiri Taluk which has been unjustly converted by Government into a musafarkahana depriving thereby the mussalmans the use of the masque and further brings it to the notice of the Government that the minds of mussalmans have been greatly agitated by the fact that the mussalmans were prevented by the local police ~~to from~~ perform their I'd prayers in the above said mosque on the previous two occasions and that the District Board are contemplating to remove the Pulpit and close the "Mehrab"(the place from which the Imam leads the congregation for prayer)

Further this Conference brings it to the notice of the Government that the Muslim graveyard surrounding the above said mosque in which many learned and holy saints are interred is being constantly defiled by the visitors of musafarkhana and the general public causing thereby extreme pain to their religious feelings.

Further this Conference prays that whatever may be the circumstances which have led to the conversion of the mosque into musafarkhana the Government of His Highness the Maharaja of Mysore be so pleased as to restore the mosque to the muslim community and thus satisfy the incessant demands of the muslim community of the State in general and of that taluk in particular.
